July, 1961.

MEETINGS.

The next General Meeting will be held in Room 2, Sobby Theatre, on Friday, 21st July, 1961.

Mr. Jim Ager will be displaying some new equipment for the coming season which should prove very interesting to all.

At the last meeting T.A.A. put on some slides and a short movie of Heron Island. The slides were really magnificent and showed what a paradise for diving this place is. If one could afford it, this trip would be very worthwhile.

OFFICE BEARERS:

At the Annual General Meeting the following were elected as Office Bearers:

PRESIDENT	..	Frank Coustley
VICE-PRESIDENT	..	John Noonan
SECRETARY	..	Ian Beeson
TREASURER	..	Lew Clarke
COMMITTEE	..	Peter Mathews
		Ron Addison
		Rob Bricker
		Peter Seaton.

SUBSCRIPTIONS:

I hate to remind you all of this but it would be appreciated if you could bring along your Subs. to the next Meeting.

OUTINGS:

Portland:- provides excellent locations for diving and the Centenary Park Camping area has all facilities including very cheap gas stoves! We had a night dive off the new breakwater which is the home of abundant fish life. The depth off the end of it was approximately 40 feet. The weather was so perfect that not one person was sick on the boat trip. This would be a Club record.

Red Rock Lake:-

Eight members drove up on Saturday afternoon and chose the clearest of the many Lakes in the area. Although it only turned out to be 15 feet deep, all had a very enjoyable time.

Eildon:-

This outing will be held on 23rd July provided permission is granted by State Waters and Rivers. Details will be given at the next Meeting.

Cape Schank:-

Low water is at 11.00 a.m. so be there at 10.00 a.m. to be in plenty of time to catch the tide. Wind and weather permitting, this is a good diving spot. Life jackets should be worn on this trip as the water can be a bit

tricky sometimes.

CLUB DINNER.

This was the best yet! It must have been, judging by the number of headaches next day. Twenty-two members turned up and everyone really had a good time.

When the licence ran out most of the party kicked on at Les Grant's place. Our sincere thanks to Mr. and Mrs. Grant for the use of their home for this occasion.

TRAINING.

Next training night at the University will be on July 28th. Now is the time to get your friends in training for the coming season.

BOAT SHOW.

As the boat show will have started by the date of the next meeting, it would be appreciated if those who are willing to man the stand during the Show would ring me at 284288. The success of the Show depends on all of us doing something towards it, so I hope to hear from you soon. The Boat Show is from July 19th to 29th so you can see we will need a few volunteers.

CAR BADGES.

The magnificent car badges will soon be on sale. The manufacturer requires a deposit on the order so we will collect one Pound (£1) from those who are interested in buying one. Total

cost will be about 30/-d.
